MUHAMMAD ASIM

UI/UX DESIGNER

H#169 Abubakr Block, Qartaba Town, Sargodha, Pakistan | +92 345 3496808 | maherasimlak@gmail.com | linkedin.com/in/asim-lak-b069382ab

PROFESSIONAL SUMMARY

UI/UX Designer with hands-on experience designing user-centered interfaces in Figma, from user flows and wireframes to high-fidelity UI and interactive prototypes. Skilled in responsive mobile and web design, design systems, and usability-focused layouts. Computer science background, detail-focused, collaborative, and quick to pick up new tools and platforms.

TECHNICAL SKILLS

UI/UX Design User flows, wireframing, high-fidelity UI, prototyping, usability, responsive mobile & web design

Design Tools Figma (prototyping, design systems, component libraries)

Ways of Working Cross-functional collaboration, iterative feedback, requirement-to-prototype ownership

WORK EXPERIENCE

Artificizen **Dec 2025 – Present**

UI/UX Developer | Lahore/Sargodha, Pakistan

- Design user-centered interfaces and interactive prototypes in Figma, translating requirements into clean, ready-to-build layouts.
- Create wireframes and high-fidelity UI screens with consistent components, ready for developer handoff.
- Partner with cross-functional teammates to keep design decisions aligned with project and development requirements.

UI/UX DESIGN PROJECTS

TIMELESS JUMP *UI/UX Design | Figma | Responsive Web Design*

- Designed responsive mobile and desktop website interfaces with structured content, product, media, and navigation sections.
- Developed a cohesive visual system with consistent typography, spacing, imagery, and reusable UI components.

TERA *UI/UX Design | Figma | Dashboard Design*

- Designed wireframes and high-fidelity dashboard interfaces including tables, charts, forms, and data-management views.
- Focused on information hierarchy, usability, and efficient navigation across complex workflows.

KHIRKI APP *UI/UX Design | Figma | Mobile & Web Design*

- Designed mobile and web interfaces with clear user flows, intuitive navigation, and structured screen layouts.
- Created wireframes and high-fidelity UI screens while maintaining consistent components and visual hierarchy.

VISAGO *UI/UX Design | Figma | FinTech | Mobile & Web Design*

- Designed a modern fintech experience for mobile and web platforms focused on personal financial management.
- Created interfaces for financial insights, transactions, growth tracking, and account-related experiences using a consistent design system.

LE JEU DE LA VOIX *UI/UX Design | Figma | Mobile Game Design*

- Designed a mobile game interface focused on an engaging and intuitive player experience.
- Created game screens and UI components with clear navigation, visual hierarchy, and interactive elements.

VELARI FORGE *UI/UX Design | Figma | E-commerce | Responsive Design*

- Designed a complete e-commerce experience across mobile and desktop platforms.
- Created product browsing, product details, account, checkout, and admin interfaces with a consistent visual design system.
